Niagara Home Builders Association Scholarship Program

RECOGNIZED PROGRAM-DEGREE/DIPLOMA

Courses offered by Canadian Universities and Ontario Community Colleges will be given primary consideration. Should there be no candidates in the above programs; consideration may be extended to other courses by various recognized institutions providing the intent of the scholarship program is met.

ELIGIBILITY

The scholarship will be awarded to sons, daughters or legal wards of owners, partners and employees (full-time salaried or hourly) of Niagara Home Builder's Association Members. The member company must be in good standing. The company must sponsor the candidate(s) and the application(s) must be endorsed by the Company President or an authorized representative. More than one candidate may be sponsored by a member company each year. Each candidate must be a Canadian citizen who has or will successfully complete the requirement to qualify for post-secondary education. This award will be given as a one-time eligibility per candidate.

BASIS OF SELECTION

OPTION 1 - The scholarship will be awarded to full-time and/or part-time students graduating from high school and enrolling in a course leading to an industry related University degree or Community College diploma. Preference will be given to those entering a trade or accredited construction trade program. The award will be based on academic achievement – achieving a minimum of 75% average on six Grade 12 subjects; recommendation from school principal; proof of acceptance to University or College; cover letter demonstrating skills and experience through involvement in extra curricular activities or community activities, employment history and students future commitment to work in construction trade; application and supporting materials.

OPTION 2 - The scholarship will be awarded to full-time and/or part-time students entering or already enrolled in post secondary construction program leading to a University degree or Community College diploma. This award will be based on proof of Acceptance to University or College, resume demonstrating skills, experience and employment history, cover letter demonstrating involvement in extra curricular activities or community activities, and students future commitment to work in construction trade; application and supporting materials.

FOR OPTION 1 AND OPTION 2— Describe how your program may relate to the construction industry.

ADMINISTRATION/FINANCIAL COMMITMENT

The Scholarship Committee is composed of three or more appointed individuals. It is the committee's responsibility to administer the program, evaluate the candidates, award the scholarships, and meet such further requirements as may be set by the Niagara Home Builders' Association. The number and amounts of such yearly awards may vary annually depending upon the ability of the funds to support the program. In making its awards, the committee will consider all the criteria listed above.

REVISIONS/TERMINATIONS

The program may be revised in any year if, in the committee's judgment, special conditions prevail that would better serve the objectives of the program. The program may be terminated by the Board of Directors with notice to the membership and the fulfillment of all outstanding commitments.
